

Mission Statement

It is our aim at Bickley Park to enable all children in our care to fully realise their potential and to enjoy the challenges that the school has to offer.

We aim to achieve this by:

- Creating a caring and stimulating environment in which children are able to be challenged.
- Developing their all round abilities through a varied curriculum which incorporates academic, practical and physical skills.
- Using our teachers as strong role models to encourage good manners, a high standard of behaviour, self discipline and tolerance of others.
