Introduction

As an employer, we are required to set out a Code of Conduct for all Bickley Park School (BPS) employees.

All adults in school are expected actively to follow and live our vision, aims and values. Staff are to have regard to the character of the School and not do anything in any way detrimental or prejudicial to the interests of the same at any time, at work or at home. Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action, including dismissal. Staff will be expected to read and agree this Code annually.

Purpose, scope, and principles

This Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe. Our School staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the school. As a member of our school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

Aide Memoire for all staff

When we speak to others we will:

- use a positive statement rather than a negative one so that children can learn what we expect of them in any situation.
- Always use a calm tone of voice, to explain something to or instruct the children, so that they can follow our words without feeling threatened or uncomfortable.
- avoid using sarcastic words or phrases as these demean children and prevent them from developing high self-esteem.
- Always speak respectfully to other adults, even if we disagree with them.

As professionals we will:

- ensure any breaches of the Staff Code of Conduct are reported promptly to the Head through Confide.
- avoid workplace gossip and negativity as it breeds resentment and becomes a roadblock to effective communication and collaboration. We all have a duty to take active steps to divert conversations away from this if we come across it.
- maintain confidentiality about anything that we see or hear in the school, so that parents and children can trust us and as a way of showing respect to our fellow professionals.
- work as part of a team, contributing as well as learning from others and helping to build up a strong workforce so that we can provide the best possible learning opportunities for the children.
- work within the school's policies and practices, so that what we do is consistent with what has been agreed between all members of the staff and the governors.
- treat everyone with respect.
- dress appropriately, so that we set a good example for the children and to show that we are here to work.
- behave in a positive way despite any personal problems that we may have, especially in front of the children.

For the avoidance of doubt, this policy also applies to the Early Years Department

Setting an example

All staff who work at BPS set examples of behaviour and conduct which can be copied by pupils.

Staff must therefore

- avoid using inappropriate or offensive language.
- demonstrate the highest standards of conduct to encourage our pupils/students to do the same.
- avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

This Code helps all staff to understand what behaviour is and is not acceptable.

Safeguarding pupils

Staff have a duty to safeguard pupils/students. The duty to safeguard pupils includes the duty to report concerns about a pupil to the school's Designated Safeguarding Lead (DSL) for Child Protection. The BPS **DSL is Jon Poole** who is based in the Pre-prep Department.

Staff are provided with copies of the school's Child Protection Policy and KCSIE part One (including Annexe A) on joining the school and must be familiar with these documents. Copies of these are available in the Staff Policy Documents folder, on the school website, or from the DSL.

Staff must not demean or undermine pupils, their parents or carers, or colleagues.

Staff must take the upmost care of pupils under their supervision with the aim of ensuring their safety and welfare.

Staff should always conduct themselves in a way to avoid placing pupils or themselves at risk of harm or of allegations of harm to a pupil. For example, where there exists 1:1 tuition - Learning Support, Music lessons, Sports coaching (with the possible allegations of touching a child); conveying a pupil in a car.

Use of Mobile Phones and Cameras

Staff must not use their mobile phone as a camera in school. Any photograph or video must be taken using school equipment. Staff must only save images on school computers.

Staff who are in contact with pupils should not use their mobile phones in school at any time when they have contact with pupils. Outside of these times, mobile phones should only be used in areas of the school where pupils are not present. If staff need to speak to a pupil by telephone, they should use one of the school's telephones and email using the school system. Please see the E-Safety Policy and the Social Media Policy in the Staff Handbook for staff's obligations in relation to electronic communications with pupils. Staff will undertake regular training on the internet and safety online, details of which are set out in the E-Safety Policy.

Physical Contact or Restraint

Any physical restraint is only permissible when a child is in imminent danger of inflicting an injury on himself/herself or on another, and then only as a last resort when all efforts to diffuse the situation have failed. Another member of staff should, if possible, be present to function as a witness. All incidents of the use of physical restraint should be recorded in writing and reported immediately to the DSL/Head who will decide what to do next.

Where this relates to the school's nursery/EYFS setting, parents will be informed of any physical restraint used on their child the same day or as soon as reasonably practicable. See Pupil Restraint Policy.

CODE OF CONDUCT FOR ALL STAFF

Where exercises or procedures need to be demonstrated, extreme caution should be used if the demonstration involves contact with pupils and, wherever possible, contact should be avoided. It is acknowledged that some staff, for example, those who teach PE and games, or who offer music tuition, will, on occasions, have to initiate physical contact with pupils in order to support a pupil so they can perform a task safely, to demonstrate the use of a particular piece of equipment or instrument or assist them with an exercise. This should be done with the pupil's agreement.

Contact under these circumstances should be for the minimum time necessary to complete the activity and take place in an open environment. Staff should remain sensitive to any discomfort expressed verbally or non-verbally by the child.

Transporting Pupils

It is inadvisable for a teacher to give a lift in a car to a pupil alone.

Wherever possible and practicable it is advisable that transport is undertaken other than in private vehicles, with at least one adult additional to the driver acting as an escort. If there are exceptional circumstances that make unaccompanied transportation of pupils unavoidable, the journey should be made known to a senior member of staff.

Action if a pupil is missing

See Registration and Missing Child Policy.

Pupil development

Staff must comply with school policies and procedures that support the well-being and development of pupils and co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.

Honesty and integrity

Staff must maintain the highest standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to our Whistleblowing procedure.

Gifts from suppliers or associates of the school must be declared to the Head, or to the Chair of Governors if the Head is the recipient, except for "one off" token gifts from students or parents. For full details, refer to the Hospitality Policy.

Conduct outside work

Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community. Any such conduct could lead to dismissal. In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable and could lead to dismissal.

CODE OF CONDUCT FOR ALL STAFF

All members of staff must declare any business interests outside of school that may be connected either to the supply of goods/services to the school or be rewarded through association with the school.

Staff use of Social Media and Other Communication

Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not have social media contact with pupils or former pupils, unless sanctioned by the Head. Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

Staff should only use their school email account when communicating electronically with pupils, parents, and colleagues. If they are to contact pupils, their parents must be copied in.

Confidentiality

Where staff have access to confidential information about pupils/students or their parents or carers, they must not reveal such information except to those colleagues who have a professional role in relation to the pupil.

All staff are likely at some point to witness actions which needs to be confidential, for example, where a pupil is bullied by another pupil/student (or by a member of staff): this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.

When staff witness or become involved through parent contact with issues as described above, they must take detailed notes of any phone conversations and meetings, at the time of the conversation. Conversations should then be confirmed in writing to parents where possible, so that any differing accounts can be challenged at the time. If not challenged, they will become a reliable record of the relevant call/meeting. Where more than one set of parents is involved, staff must take extra care to ensure a balanced approach in terms of "face-to-face" meetings with the respective parents and are not to provide feedback until everyone involved with an incident/allegation has provided a statement. Parents should be advised that there will be a short delay to allow this to be done.

Staff have an obligation to share with their manager or the school's DSL any information which gives rise to concern about the safety or welfare of a pupil. Staff must never promise a pupil that they will not act on information that they are told by the pupil or by the parent.

Staff will be provided with training on confidentiality, which will be refreshed regularly and be part of the induction process for all new staff.

Whistleblowing

See Whistle Blowing Policy

Daily conduct requirements for staff

Should a staff member need to be absent or expect to be late for any reason, he/she should ask the Head in advance when possible. If this is not possible, he/she is asked to contact the Head at the earliest opportunity.

CODE OF CONDUCT FOR ALL STAFF

To promote a healthy and pleasant working environment and because of the fire risk, smoking (in any form, including the use of e-cigarettes) is not encouraged and is only allowed in the designated area on the Prep site.

Consumption of alcohol or illegal drugs is not permitted on site save where, in the case of alcohol, at a school function, or otherwise agreed, when modest amounts of alcohol may be consumed. Employees' conduct and performance must not be adversely impacted by alcohol or drugs when undertaking their duties. Staff that reside on site may consume modest quantities of alcohol in private accommodation when they are not on duty.

In the interests of security, employees must wear their school identity lanyard whilst in school.

The school regularly receives visits from parents, potential parents and others, and naturally wishes to convey an impression of efficiency and organisation. Therefore, whilst not wishing to impose unreasonable obligations on staff, they are, nonetheless, required to look smart in appearance.

Due to the demands and nature of the school, staff should be prepared to transfer upon request within departments either temporarily or permanently, to undertake work of a different nature, providing it is reasonable and safe to do so and the staff member is adequately trained.

Staff are reminded that the school buildings are open only between the hours of 7am and 6:30pm Monday to Friday. In the interests of maintaining a good work-life balance, attendance on site outside of these hours, save for specific events, is not recommended. Any entry outside of these hours is with the express permission of the Bursar only.

Equal Treatment

Bickley Park School is committed to equal treatment for all pupils regardless of sex, sexuality, race, caste, disability, religion, or belief. We keep a record of discriminatory incidents. We aim to create a friendly, caring, and perceptive environment in which every individual is valued. We endeavour to contribute positively towards the growing autonomy, self-esteem, and safety of each pupil. Our staff undertake regular consultation activities with our pupils e.g., through safety questionnaires, participation in anti-bullying week and speaking to children about their experiences at lunchtime and playtimes.
