## VISION, VALUES AND AIMS

### Vision

To be a world class preparatory school for boys

### Aims

As a School we aim to:

- To deliver a balanced, challenging and quality curriculum that arms pupils with the skills and attributes to thrive in their later lives.
- To provide an education tailored to how boys learn and aimed at motivating them to achieve.
- To enable boys to stand out from the crowd in a globally inter-connected world.

### Values

At Bickley Park School we recognise that we are all unique individuals. However, together we strive to share these common values:

Kindness – acting with generosity of spirit.

Honesty – telling the truth.

Respect – recognising the value in another person.

Integrity – doing the right thing even when no-one is watching.

Perseverance – getting through something even if it is hard.

Our aim is that the Bickley Park Way, derived from our School values, should underpin the manner in which all members of the School community behave.

### The Bickley Park Way

We believe that we should:

Share.

Be honest.

Be kind and helpful.

Treat others as we would be treated.

Listen to one another and try to understand other people's points of view.

Forgive - recognise that everyone, including ourselves, makes mistakes.

Respect others, recognising that they are important too.

**VISION, VALUES AND AIMS**

Be resilient, learning from things that go wrong and aiming for better next time.

**Work hard to do your best to be your best self**
